Share your expertise through an engaging session that sparks ideas and conversations on how CHWs serve as the vital bridges connecting communities with care and empowering lasting change.

Deadlines:

January 30 - Proposal submission due

Early February - Review process begins

February 20 - Presenters will be notified

May 5 - NH CHW Summit

Presentation types:

Deep Dive - 1 hour

Skill Development - 1 hour

Crash Course - 15 minutes

Theme:

This year's Summit theme celebrates the unique role of Community Health Workers as connectors and advocates who bridge the gaps between individuals, communities, and the care they need to thrive. CHWs play a critical part in fostering trust, improving access to resources, and driving meaningful collaboration across diverse sectors. The 2025 NH CHW Summit will explore strategies, innovations, and stories that highlight the power of CHWs to strengthen connections, dismantle barriers, and create healthier, more equitable communities.

Helpful Tips:

- Make your sessions interactive and engaging.
- Be clear in your description about who the target audience is. (CHWs, employers, providers, policymakers, etc.).
- Build in time for Q&A, group discussion, and/or networking.
- Highlight your expertise in the topic area through credentials, project examples, etc.

Topic Recommendations:

- 1 **Building Community Partnerships**
- 2 **Bridging Health Disparities**
- 3 **Innovative Approaches to CHW Work**
- 4 **Sustainable CHW Initiatives**
- 5 **Self-Care and Resilience**
- 6 **Skill Building and Career Growth**
